

BIRD BLOCK NET

VEXO BIRD BLOCK net bird exclusion netting is a durable permanent solution to protect roof tops, awnings, loading docks and other cavities from pest birds.

Made from high density polyethylene, these nets are strong but thin and barely visible to human eye from the ground while excluding all birds without harm. Common pest birds include pigeons, seagulls, starlings, galahs, sparrows and swallows.

VEXO BIRD BLOCK net is a professional grade UV stabilized high strength polyethylene netting designed for both indoor and outdoor bird exclusion. Our nets are pre-stretched, and heat treated to ensure they maintain integrity, shape and strength. Black colour nets reduce the visibility making them almost invisible from the ground.

APPLICATION

Warehouse, factories, hangars, loading docks, awnings, commercial roof tops, HVAC units, sheds, verandahs, pool or dam covering, architectural fascia, government and heritage buildings.

PRODUCT HANDLING

VEXO BIRD BLOCK nets are packaged for safe and efficient onsite installation. Coloured tags mark the corners and indicates the long edge for efficient unpacking of netting.

Practice safe manual handling to avoid injury when lifting. Lift/carry net via bale handles to avoid damage.

AVAILABLE SIZES	
19mm	60mm
10m x 10m	25m x 25m
20m x 10m	50m x 25m
20m x 20m	
25m x 15m	
Custom Size Available On Request

PRODUCT DATA		
Product Name	BIRD BLOCK Net 19	BIRD BLOCK Net 60
Mesh Size	19mm x 19mm	60mm x 60mm
Material	High Density Polyethylene	
Twine Diameter	0.9mm	1.25mm
Twine Designation	500 Denier/6 (6 core monofilaments)	400 Denier/12 (12 core monofilaments)
Twine Twist per Metre	180	
Twine Weight	0.43g/m	0.64g/m
Twine Load @ Peak	16Kgf	20.6Kgf
Type of Knot	Single English Knot	
Weight per M ²	~68g	25g
Net Load @ Peak	20Kgf	30Kgf
Softening Point	120°C	
Melting Point	130°C	
Durability/Warranty	VEXO BIRD BLOCK nets are warranted against defects in materials and workmanship for 10 years undercover and 5 year under exposure. See warranty policy for more details.	
Colour	Black	

PRODUCT CERTIFICATION	
EN 12224 Geotextile Resistance To Weathering	✓
